It's so hard to believe it is already the second semester of school! Wow!

Reading- We are reading the 3rd book in The Chronicles of Narnia series, The Horse and His Boy. The kids seem to be enjoying it, although it can be hard to follow sometimes. That's where good discussion comes in.

FYI- Realize that your child will not have a lot of grades in the grade book for the first half of the six weeks because most of our grades come at the end of the six weeks- journals, A.R. goals, etc. We'll have a few daily grades and a couple of test grades, and of course, conduct grades, but the rest will be taken late in the six weeks.

PANHANDLE JR. HIGH SCHOOL

Journals are due on Feb. 5th, and A.R. goal must be reached by Feb. 12th. Reading every night for 20 minutes or so should help your child reach that A.R. goal.

L.A.- Along with our regular classroom studies, we are preparing for Writing TAKS (Mar. 3rd). Right now everything is being done in class, but look for TAKS Prep Packets to start coming home in a few weeks. This will take your child about 15 minutes each night, Mon.-Thurs. to do.

Have A Great Week!

We have spent several days writing different types of letters. This past week we each sent letters to a different 8th grade class somewhere in the United States. Now we have to play the waiting game and see if they will respond to our letters. We will take a couple of days to work on comma usage. Commas are always tricky; there are so many rules and exceptions to those rules in the English language that it causes confusion for us! The last part of the week we will begin another piece of writing.

I have combined the next two vocabulary lists: 13 and 14. They will both be due Tuesday, 1/19 and the test will follow on Wednesday, 1/20.

In Reading we are reading the novel *The Outsiders*. We should be through with it by the end of the week. There is a large project that will accompany this novel. It will account for several grades this six weeks. More to follow.

AR will be due on Wednesday, February 17th.

6th grade—We started Chapter 10, but I don't feel that the book teaches enough about WWI, WWII and the Cold War. We will be spending extra time on these subjects. We made a foldable for WWI and the students are getting to see visuals of actual events and weapons of WWI. We will test on WWI on Wednesday. We will then go to WWII.

7th grade—We are now the 28th state!!! We've spent time comparing the presidents of the Republic and establishing how our government was set up. We will test on Tuesday.

Thank you to all Student Council members and student body who have helped to take care of the successful recycling effort at the gym.

Also, kudos to Mr. Strother for being such a good sport when we colored his hair PINK!
