Dear Fifth Grade Parents:

Welcome back to another school year!

It's time again to begin activities in recorder class! The recorder presents a wonderful opportunity to introduce music reading and appreciation. I hope that by giving the students a positive, enjoyable learning experience they will be encouraged to develop a further interest in music. We've enclosed a "Supply List" for your future use, as well. Please consult this list, as it outlines the total cost this year for recorder class (t-shirt and recorder supplies) in different cost options. Both documents in this correspondence will also be available for reference on the following Panhandle Elementary School Band Web Link:

"RECORDER KARATE!!!"

In our "Recorder Dojo", students will be guided through various levels of learning by their teacher, or "Sensei". Each student will be issued a colored belt for each level of music difficulty that they master. Students that master all ten levels of Recorder Karate are then recognized with a "Sensei" belt. Our dojo will be complete with oriental décor, headbands, t-shirts, gong, and skill level belts (belts will be returned by students when they have completed a skill level).

In the space below, while computing your supply order, we would ask that you provide one size larger than your child's current size to allow for manufacturing differences.

Please have your child return the order form to me by **September 11, 2009**, along with a check made payable to **Panhandle ISD**. Please call me if you have any thoughts or questions at **537-3851 or 670-7135**. Thank you for your help!!
