May 18, 2010

Dear Parents of Incoming Seventh Grade Students,

I hope this letter finds each of you looking forward to a fantastic summer. Mr./Mrs. Jones and I have truly enjoyed working with the great students of Panhandle Jr. High this year. Mr. Rath and I are already very excited to get to work on next year's progress with the incredible students of Panhandle Junior High School.

This year, we will have our **Band Instrument Drive on Tuesday, May 25, 2010** in the PHS Band Hall. We hope that all of you can attend this important event! This is the time during which students will obtain their instruments for the next level of band involvement. This instrument drive applies to all students that have been placed on the following instruments:

- Flute
- Clarinet
- Saxophone
- Trumpet
- Trombone
- Percussion

We have set up a time with **Jent's Music** to assist you with your rental/purchase. The music store representatives will be at the high school band hall from **4:00-7:00 pm**.

We do realize there are several different types of instruments available to you -- some are of great quality and some are not desirable. It is essential to the success of young band students that they play on quality instruments. If, by chance, you already have an instrument by prior purchase or "hand-me-down", please allow us to look over that instrument to ensure its suitability for use --- with the success of your child in mind. If you have any questions please call Mr. Chapleau at 537-3142 (w) or at 670-7135 (c). Thank you so much for your support of the Panhandle Band Program!!

Sincerely,

Rob Chapleau, Director of Bands
Panhandle Junior High School
